Dedicated and driven individual with a passion for cyber security. Proficient in basics of penetration testing, Web Security and CTI. Familiarity with coding concepts and the ability to read and comprehend code, with a focus on utilizing existing code for specific tasks rather than developing new code. Enjoys participating in CTFs and PWN box challenges and is always seeking to expand their knowledge and skills in the field.

EDUCATION

PRESENTATION CONVENT, SCHOOL

Successfully completed the 12th grade from the ISC board in 2021, demonstrating strong academic abilities. Proficient in both English and Hindi, showcasing very good communication skills.

VELLORE INSTITUTE OF TECHNOLOGY, BHOPAL

2nd year pursuing B.Tech. in CSE (Specialization in Cyber Security and Digital Forensics) program

SKILLS

- Proficient in utilizing and navigating a range of security tools, including Nmap, Wireshark, Hydra, fuzzing tools, Burpsuite and others
- Basic Web exploitation
- Vulnerability research
- Basic CTI

ACTIVITIES

Actively engaged in expanding my knowledge and skills in the field of cyber security through participation in a variety of CTFs, security challenges, and pwn box competitions. Continuously networking with individuals with diverse technical expertise through attendance at various cyber security events and social media.

ACHIEVEMENTS

- 544th rank in PicoCTF 23 under UG category
- Level 13 rank in Tryhackme
- Hacker rank in HackTheBox
